

What's New in Accessories

Subject: Rabbit/GTI Darkened Tail Lights
P/N: 1K0 052 200N

Number: 012-08-07 UCF

Replaces: n/a

Date: March 22, 2007

Attention: All Volkswagen Sales, Service and Parts Professionals

The Accessories Marketing and Development Team is pleased to announce the introduction of Darkened Tail Lights for the Rabbit/GTI. The black tint accents body lines while accentuating the lamp surround area. Upgrade and up style your Rabbit/GTI to make it distinctively yours. No special tools needed. Lights are easy to install and do not require special coding. Same electrical connectors as original equipment.

Complete Set of 4 Kit P/N 1K0 052 200N

Fits Rabbit/GTI 2006.5+

Ample stock is available to support your orders. Good Selling
